WHAT IS A SATSANG?

Satsang is often defined as the company of like-minded people in pursuit of the truth. When a tribe's common interest is pursuit of truth - then it is a Satsang. The Jivamukti Yoga Global Satsang is a Tribe.

WHAT IS A TRIBE?

If we pare down the word tribe “to its simplest meaning, (it is ...) a name for the first human communities that formed beyond the primal bonds of kinship - the beginnings of the great experiment we call society, which taught us to be human.”

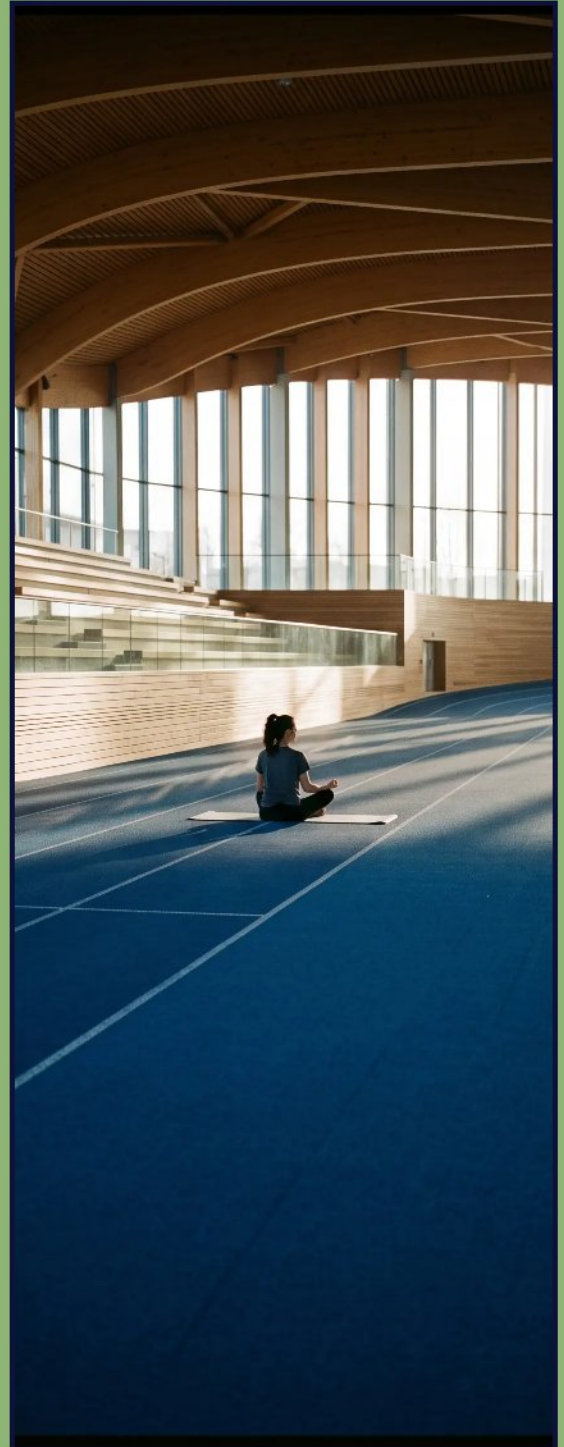

**WE ARE BRINGING THE WORD TRIBE
AND OUR GATHERING BACK TO THE
ROOTS, GIVING US THE OPPORTUNITY
TO SHARE THE EXPERIENCE OF BEING
HUMAN.**
